## Extra Field Days in Vierves-sur-Viroin (Belgium) from July 6 to 9

PRICE : 150 EUR all included (accommodation, meals, breakfasts, etc.)

Dear Colleague,

For more than 50 years now, our association « les **CERCLES DES NATURALISTES DE BELGIQUE** » in Vierves-sur-Viroin (Belgium) are organising activities about plant-insects interactions.

In collaboration with SIP 2017, we're happy to propose of **3 EXTRA FIELD DAYS** for the participants. The meeting will be held in our centre (with its auditorium, labs, restaurant, accomodation...) in the beautiful surroundings of **VIERVES-SUR-VIROIN (BELGIUM)**, located between several geological regions and many places of natural interest. With **THE PRESENCE OF INTERNATIONAL SPECIALISTS**, this meeting will allow professional scientists as well as amateurs to learn and to share their experience, skills and knowledge in a convivial atmosphere. The program will mainly consist in field excursion during the day, and laboratory studies and short presentations in the evening.

Travel from Tours to Vierves-sur-Viroin (and return to main connexions cities) can be organized on demand with other participants in a shared car. For any inquiries or details, please contact : [cnbcarbonnelle@cnbnat.be](mailto:cnbcarbonnelle@cnbnat.be).

Looking forward to meeting you in July 2017 !

Sébastien CARBONNELLE  
Mission Head

Léon WOUÉ  
President

*Main themes : multitrophic interactions and ecological networks, plant-insect-microorganisms interactions, community ecology and phylogenetics, global change and thermal ecology, insect plant-interactions in forests and agrosystems, etc.*

## Information about accomodation and hospitality

Accommodation and meals take place at the same location than the meeting, in Vierves-sur-Viroin.

You will be accommodated in an old railway station, completely restored and modernised, the **ECOSITE DE LA VALLÉE DU VIROIN**, and in a nearby building called **MAISON JACQUES DUVIGNEAUD (COUP DE CŒUR)** where you will find a dining room with a skilled kitchen staff, a nice garden and terrasse, TV room.

We also provide a fully equipped auditorium with 98 seats and 2 laboratories with 40 binoculars. You will also find here documentation centre, botanical and medicinal plants garden, hymenopteran and geological educational paths, mini-foot field...

All rooms have central heating, sink (hot and cold water), toilets and showers at every floor. The rooms are spread across two adjacent buildings, with the same level of comfort. The following rooms are at your disposal : rooms with 2, 3, 4 or 6 single beds (bunk beds). We also have 5 twin rooms of higher level of comfort (shower, sink) in the building **MAISON JACQUES DUVIGNEAUD (COUP DE CŒUR)**.

Please let us know in advance if you would like to share your room with any participant(s) in particular and we will do our best to make it possible !

ADRESS : **ECOSITE DE LA VALLÉE DU VIROIN**  
**RUE DE LA CHAPELLE, 2**  
**BE - 5670 VIERVES-SUR-VIROIN BELGIQUE**

## PARTICIPATION SHEET

To complete and to send back scanned to [cnbcarbonnelle@cnbnat.be](mailto:cnbcarbonnelle@cnbnat.be)

Name:..... male / female  
 Full address:.....  
 Institution / organisation:.....  
 Mobile phone: 00/.....E-mail : .....
